

Design, manufacture and supply communication systems world wide for use in the petrochemical industry.

DS0123 Rev B – VE/CD660 Multi-Disc CD Player

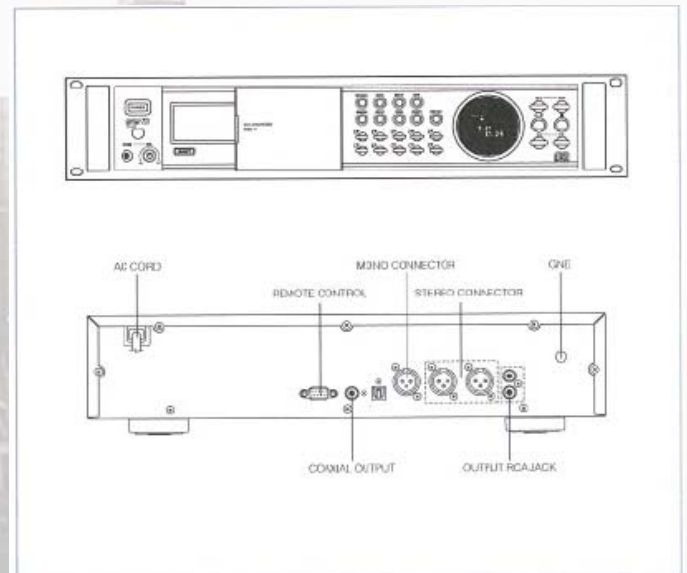

The Vodec VE/CD660 is an industrial heavy duty compact CD Player designed to provide extended service life under continuous playback conditions.

The unit is a 2U (unit), 19-inch rack mountable module and is packaged in a ruggedised enclosure suitable for commercial operation.

Connection is by rear panel plug/sockets enabling rapid maintenance and minimal downtime.

The VE/CD660 incorporates a six disc carousel mechanism which once loaded can be configured to provide continuous unattended operation in a sequence determined by the operator.

A typical application is as a music programme source within an offshore/marine entertainment system.
